

2018 Summer Program

Learning, Fitness and Fun!

Help your child stay on top of reading, math and writing all summer long, while staying fit and having fun! Experienced teachers will work with your child in a small group for approximately three hours per day on academics, interspersed with three hours of physical activity, social skills, arts & crafts, games, and more. Sessions will be held at our 25,000 square foot location which includes trampolines, a foam pit, sports courts, swings, trapezes and a ball pit. Program includes cooking, art, yoga, one afternoon at a local water park, and a weekly field trip. Designed for grades K-8.
